SIMPLER, SMARTER, BETTER SERVICE CHANGES ARE COMING

Research Triangle Park, NC (August 12, 2010) - Triangle Transit will make adjustments to many of its bus routes on August 16.

The changes will:

- Improve service reliability and on-time performance
- Simplify route design and the route naming and numbering system
- Improve transfer connections with Triangle area transit partners
- Affect the timing of transfers at the Regional Transit Center
- Provide direct service to RDU International Airport from downtown Raleigh

For some riders, this may mean a change in bus route name and/or scheduling. A full list of the changes can be found online at triangletransit.org. Information is also available by calling the GoTriangle Regional Transit Information Center at 919-485-RIDE.

Triangle Transit improves the region's quality of life by connecting people and places with reliable, safe, and easy-to-use travel choices that reduce congestion and energy use, save money, and promote sustainability, healthier lifestyles, and a more environmentally responsible community.
